

FLYJETSTREAM

THINK SMARTER. FLY CHARTER.

PRIVATE CHARTER EXCELLENCE SINCE 2005

Since 2005, we have been at the forefront of private aircraft charter, delivering seamless and reliable flight solutions across Africa. Our reputation is built on decades of hands-on operational expertise, deep regional knowledge, and an uncompromising commitment to excellence.

We specialise in a wide range of charter services, including cargo and dangerous goods transport, as well as business and leisure travel. Renowned for our meticulous attention to detail, exceptional flexibility, and innovative problem-solving, we excel in managing complex operations with precision and care.

From time-critical cargo movements to exclusive executive travel and unforgettable leisure journeys, every operation is carefully planned and flawlessly executed. With proactive 24/7 support and a highly experienced team, we deliver safety, reliability, and complete peace of mind — ensuring every flight meets the highest professional standards.

From personalised private and business charters to group travel, cargo solutions, and specialised precision flights, **Flyjetstream** redefines every aspect of air travel.

YOUR JOURNEY. PERFECTLY PLANNED.

CHARTER FLEET

SELECTING THE RIGHT AIRCRAFT GOES BEYOND SEAT AVAILABILITY. IT'S ABOUT PRECISION, COMFORT, AND CHOOSING THE PERFECT FIT FOR YOUR JOURNEY.

CESSNA 402

TWIN PISTON. NON-PRESSURISED

The Cessna 402 is a pure work horse in the aviation industry. Reliable, comfort and endurance is the core ingredient of this amazing aircraft. With the six-seat aircraft you can accommodate your family with ease and with the large baggage compartment it is ideal for any hunting trip in Africa.

6 PAX

330 KM/H

CESSNA 208 CARAVAN

SINGLE TURBINE. NON-PRESSURISED

Ideal for both business and leisure travel, it operates confidently from short gravel strips and is perfectly suited for African safari journeys. With flexible seating, it easily converts from passenger transport to a capable cargo aircraft, adapting effortlessly to every mission.

12 PAX

330 KM/H

PILATUS PC12

SINGLE TURBINE. PRESSURISED

The Pilatus PC-12 delivers spacious comfort, reliability, and exceptional versatility. With its large cabin, impressive range, and short-field capability, it's the ideal aircraft for seamless executive, cargo, and specialised charter operations.

8 PAX

470 KM/H

BEECHCRAFT KING AIR 90

TWIN TURBINE. PRESSURISED

The King Air 90 is a proven twin-engine turboprop offering reliability, efficiency, and versatility. With a comfortable pressurised cabin and the ability to operate from bush, dirt, and regional airstrips, it delivers a dependable and seamless charter experience for business and specialised travel.

6 PAX

430 KM/H

BEECHCRAFT KING AIR 200

TWIN TURBINE. PRESSURISED

The King Air 200 has great endurance and can fly further and higher than piston-engine aircraft, and unlike many jets, it can land at almost any gravel strip, making this aircraft suitable for your African bush holiday.

8 PAX

500 KM/H

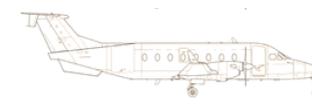

BEECHCRAFT 1900

TWIN TURBINE. PRESSURISED

The Beechcraft 1900 is ideal for short to medium-range charters and mining crew transfers, it operates confidently from short, grass, and rough airstrips. With a large cargo door and flexible configuration, it easily adapts from passenger transport to cargo operations.

19 PAX

500 KM/H

WHERE A WORLD OF SERVICES MEETS EXCELLENCE WITHOUT COMPROMISE.

OUR SERVICES

PRIVATE CHARTERS

Executive, leisure, and cargo flights across Africa, with direct access to remote and exclusive destinations.

EXECUTIVE PASSENGER SERVICES

Premium handling services — seamless support from arrival to departure, including meet & greet, luggage assistance, and transfers.

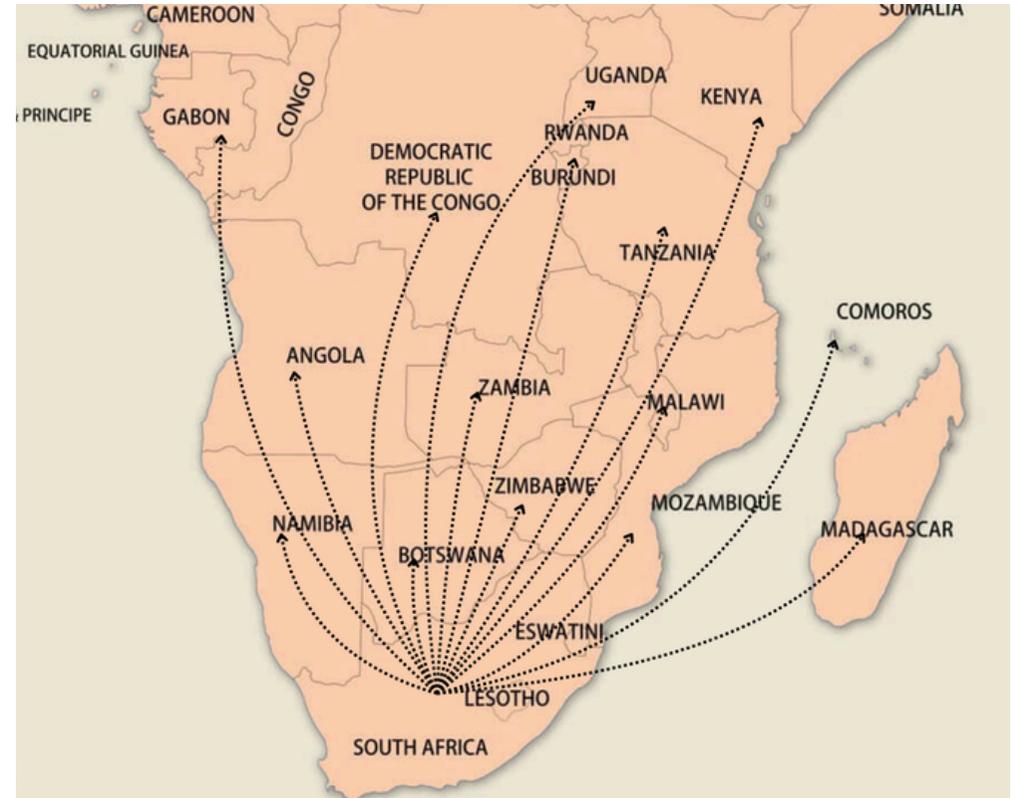

CARGO CHARTER SERVICES

Time-critical, oversized, or perishable—no cargo is too complex. We provide tailored solutions, flexible aircraft configurations, and reliable 24/7 service.

LUXURY, SAFETY, AND FLEXIBILITY IN EVERY FLIGHT.

EXTENSIVE AFRICAN COVERAGE

We offer private charter flights to a wide range of destinations across Africa, from major international airports to remote airstrips that provide exclusive access to luxury lodges and hidden bush retreats.

MORE THAN A VIEW FROM ABOVE, WE CONNECT YOU WITH THE SPIRIT OF AFRICA.

No airstrip too remote. No cargo too complex.

CARGO CHARTER SERVICE

When time matters and complexity counts, **Flyjetstream** delivers.
